

# PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Monday 21st August 2006

A 4x8 grid of arrows on a black background. The grid consists of four horizontal rows and eight vertical columns. Arrows point in various directions: top row has downward-pointing arrows; second row has leftward-pointing arrows; third row has rightward-pointing arrows; bottom row has upward-pointing arrows. The grid is bounded by thick black lines.
