

PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Thursday 19th November 2009

A 4x4 grid of arrows on a coordinate system. The grid is defined by four thick black lines: two vertical lines and two horizontal lines. The top-left square contains a single right-pointing arrow (>). The top row contains three upward-pointing arrows (^) and one downward-pointing arrow (v). The second row contains three left-pointing arrows (<) and one right-pointing arrow (>). The third row contains three downward-pointing arrows (v) and one upward-pointing arrow (^). The bottom row contains three right-pointing arrows (>) and one left-pointing arrow (<). The bottom-right square contains a single downward-pointing arrow (v).
