

PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Tuesday 19th January 2010

A 4x4 grid of arrows on a coordinate system. The grid is defined by four thick black lines: two horizontal lines and two vertical lines. The top-left square contains a right-pointing arrow (>). The top row contains downward-pointing arrows (v) at the first and second columns. The top-right square contains a right-pointing arrow (>). The middle row contains upward-pointing arrows (^) at the first and fourth columns. The bottom-left square contains a left-pointing arrow (<). The bottom row contains downward-pointing arrows (v) at the first and second columns. The bottom-right square contains a right-pointing arrow (>).
