

A 3x3 grid of 9 squares. Each square contains a different arrangement of black arrows pointing in various directions (up, down, left, right, and diagonally). The arrows are distributed as follows:

- Top-left square:** Three arrows pointing left on the middle row, and two arrows pointing down on the left and middle columns.
- Top-middle square:** One arrow pointing up on the middle column, one arrow pointing up-right on the top row, and one arrow pointing left on the middle row.
- Top-right square:** One arrow pointing up on the middle column, one arrow pointing left on the top row, one arrow pointing left on the middle row, and one arrow pointing left on the bottom row.
- Middle-left square:** Two arrows pointing down on the left column, one arrow pointing left on the middle row, and one arrow pointing left on the bottom row.
- Middle-middle square:** One arrow pointing up on the middle column, one arrow pointing left on the middle row, and one arrow pointing left on the bottom row.
- Middle-right square:** One arrow pointing left on the middle row, and one arrow pointing down on the right column.
- Bottom-left square:** One arrow pointing left on the top row, one arrow pointing left on the middle row, and one arrow pointing up on the right column.
- Bottom-middle square:** One arrow pointing left on the top row, one arrow pointing left on the middle row, one arrow pointing up on the middle column, and one arrow pointing left on the bottom row.
- Bottom-right square:** One arrow pointing left on the top row, one arrow pointing left on the middle row, and one arrow pointing down on the right column.
