

# PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Friday 28th October 2011

A 4x10 grid of arrows on a grid background. The arrows point in various directions: right (>), left (<), up (^), and down (v). The grid consists of 4 horizontal rows and 10 vertical columns. The arrows are placed at the intersections of the grid lines, creating a pattern that repeats every two rows. The first row has arrows pointing right, left, up, and down. The second row has arrows pointing right, left, up, and down. The third row has arrows pointing right, left, up, and down. The fourth row has arrows pointing right, left, up, and down.
