

The image displays a 3x3 grid of 9 diagrams, each representing a square with arrows on its four edges. The arrows indicate the direction of flow between adjacent squares in a grid. The diagrams are arranged in a 3x3 grid, with each square having four edges (top, bottom, left, right) and arrows pointing in various directions (left, right, up, down). The arrows are represented by small black lines with arrowheads.

Diagram	Top	Bottom	Left	Right
1 (Top-Left)	None	None	Left	Left
2 (Top-Middle)	None	None	Left	None
3 (Top-Right)	Left	Left	None	Right
4 (Middle-Left)	Right	Left	None	None
5 (Middle-Middle)	None	None	Left	Left
6 (Middle-Right)	None	None	None	Right
7 (Bottom-Left)	None	None	Left	None
8 (Bottom-Middle)	None	None	Right	Left
9 (Bottom-Right)	None	None	None	Right
