

The image displays a 3x3 grid of squares, each containing a unique pattern of black arrows. The arrows are oriented in various directions, including horizontally, vertically, and diagonally. The patterns are as follows:

- Top-left square:** Two arrows pointing up from the bottom edge, one pointing left from the right edge, and one pointing right from the left edge.
- Top-middle square:** Two arrows pointing right from the left edge, one pointing up from the bottom edge, and one pointing left from the right edge.
- Top-right square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
- Middle-left square:** One arrow pointing right from the left edge, one pointing up from the bottom edge, and one pointing left from the right edge.
- Middle-middle square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
- Middle-right square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
- Bottom-left square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
- Bottom-middle square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
- Bottom-right square:** Two arrows pointing left from the right edge, one pointing up from the bottom edge, and one pointing right from the left edge.
