

The image shows a 3x3 grid of squares. Each square contains a unique pattern of black arrows. The arrows are distributed as follows:

- Top-left square:** One arrow pointing left in the top row, one pointing right in the middle row, and one pointing right in the bottom row.
- Top-middle square:** One arrow pointing right in the top row, one pointing right in the middle row, and one pointing left in the bottom row.
- Top-right square:** One arrow pointing left in the top row, one pointing right in the middle row, and two arrows pointing left in the bottom row.
- Middle-left square:** One arrow pointing left in the middle row, one pointing left in the bottom row, and one arrow pointing left in the bottom row.
- Middle-middle square:** One arrow pointing right in the middle row, one pointing left in the bottom row, and one arrow pointing left in the bottom row.
- Middle-right square:** One arrow pointing left in the middle row, one pointing left in the bottom row, and one pointing right in the bottom row.
- Bottom-left square:** One arrow pointing left in the top row, one pointing left in the middle row, and one pointing right in the bottom row.
- Bottom-middle square:** One arrow pointing left in the top row, one pointing left in the middle row, and one pointing left in the bottom row.
- Bottom-right square:** One arrow pointing right in the top row, one pointing left in the middle row, and one pointing left in the bottom row.
