

The image shows a 3x3 grid of squares. Each square contains a unique pattern of black line segments and dots. The patterns are as follows:

- Top-left square:** A horizontal line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Top-middle square:** A vertical line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Top-right square:** A diagonal line segment from the top-left to the bottom-right, with a dot at the top-left corner and another dot at the bottom-right corner.
- Middle-left square:** A horizontal line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Middle-middle square:** A vertical line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Middle-right square:** A diagonal line segment from the top-left to the bottom-right, with a dot at the top-left corner and another dot at the bottom-right corner.
- Bottom-left square:** A horizontal line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Bottom-middle square:** A vertical line segment in the middle, with a dot at the top-left corner and another dot at the bottom-right corner.
- Bottom-right square:** A diagonal line segment from the top-left to the bottom-right, with a dot at the top-left corner and another dot at the bottom-right corner.
