

# PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Thursday 8th June 2017

A 6x6 grid of arrows on a coordinate system. The grid is defined by horizontal and vertical lines. Arrows point in various directions: top-right (>), bottom-left (<), top-left (<\vee), bottom-right (\vee), top-left (<\wedge), top-right (\wedge), and bottom-left (\wedge\vee). The grid is divided into four quadrants by thick black lines. The top-right quadrant has arrows pointing right and up. The bottom-left quadrant has arrows pointing left and down. The top-left quadrant has arrows pointing left and up. The bottom-right quadrant has arrows pointing right and down. The grid is bounded by a thick black border.
