

The image displays a 3x3 grid of squares, each containing a unique pattern of black arrows. The arrows are oriented in various directions, including horizontally, vertically, and diagonally. The patterns are as follows:

- Top-left square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Top-middle square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Top-right square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Middle-left square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Middle-middle square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Middle-right square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Bottom-left square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Bottom-middle square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
- Bottom-right square:** An arrow pointing left from the center, an arrow pointing right from the center, and an arrow pointing down from the top edge.
