

The image displays a 3x3 grid of squares, each containing a unique pattern of black arrows. The arrows are oriented in various directions, including horizontally, vertically, and diagonally. The patterns are as follows:

- Top-left square:** An arrow pointing up from the bottom edge, an arrow pointing right from the left edge, an arrow pointing down from the top edge, and an arrow pointing left from the right edge.
- Top-middle square:** An arrow pointing down from the top edge, an arrow pointing left from the right edge, an arrow pointing right from the left edge, and an arrow pointing up from the bottom edge.
- Top-right square:** An arrow pointing left from the right edge, an arrow pointing down from the top edge, an arrow pointing right from the left edge, and an arrow pointing up from the bottom edge.
- Middle-left square:** An arrow pointing left from the right edge, an arrow pointing down from the top edge, an arrow pointing right from the left edge, and an arrow pointing up from the bottom edge.
- Middle-middle square:** An arrow pointing right from the left edge, an arrow pointing down from the top edge, an arrow pointing left from the right edge, and an arrow pointing up from the bottom edge.
- Middle-right square:** An arrow pointing left from the right edge, an arrow pointing down from the top edge, an arrow pointing right from the left edge, and an arrow pointing up from the bottom edge.
- Bottom-left square:** An arrow pointing right from the left edge, an arrow pointing down from the top edge, an arrow pointing left from the right edge, and an arrow pointing up from the bottom edge.
- Bottom-middle square:** An arrow pointing left from the right edge, an arrow pointing down from the top edge, an arrow pointing right from the left edge, and an arrow pointing up from the bottom edge.
- Bottom-right square:** An arrow pointing right from the left edge, an arrow pointing down from the top edge, an arrow pointing left from the right edge, and an arrow pointing up from the bottom edge.
