

PUZZLE MADNESS

Daily Hard Greater Than Sudoku Puzzle for Thursday 13th April 2023

A 5x5 grid of arrows on a coordinate system. The grid consists of 25 small squares. Each square contains one of four types of arrows: a right-pointing arrow (>), a left-pointing arrow (<), an up-pointing arrow (^), or a down-pointing arrow (v). The arrows are arranged in a repeating pattern across the grid. A thick black horizontal line runs through the middle of the grid, intersecting the vertical grid lines at their midpoints. A thick black vertical line runs through the middle of the grid, intersecting the horizontal grid lines at their midpoints. The grid is bounded by a black frame.
