

The image shows a 3x3 grid of squares. Each square contains a unique pattern of black arrows. The arrows are distributed as follows:

- Top-left square:** Two arrows pointing left on the top and second rows from the top.
- Top-middle square:** One arrow pointing left on the top row, one pointing right on the second row, and one pointing down on the third row.
- Top-right square:** One arrow pointing down on the top row, and two arrows pointing right on the second and third rows.
- Middle-left square:** One arrow pointing right on the top row, one pointing left on the second row, and one pointing down on the third row.
- Middle-middle square:** One arrow pointing left on the top row, one pointing right on the second row, one pointing down on the third row, and one pointing left on the bottom row.
- Middle-right square:** One arrow pointing left on the top row, one pointing down on the second row, one pointing left on the third row, and one pointing down on the bottom row.
- Bottom-left square:** One arrow pointing right on the top row, one pointing left on the second row, and one pointing down on the bottom row.
- Bottom-middle square:** One arrow pointing right on the top row, one pointing down on the second row, and one pointing left on the bottom row.
- Bottom-right square:** One arrow pointing right on the top row, one pointing down on the second row, one pointing left on the third row, and one pointing right on the bottom row.
