

The image displays a 3x3 grid of squares. Each square contains a unique pattern of black line segments and arrowheads. The patterns are as follows:

- Top-left square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with arrowheads pointing up and down at the left and right ends.
- Top-middle square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with an arrowhead pointing up at the left end.
- Top-right square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with arrowheads pointing up at the left end and down at the right end. A diagonal line with an arrowhead pointing up-right at the bottom-right corner.
- Middle-left square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with arrowheads pointing up at the left end and down at the right end. A diagonal line with an arrowhead pointing up-left at the top-left corner.
- Middle-middle square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with an arrowhead pointing up at the left end.
- Middle-right square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with an arrowhead pointing up at the right end.
- Bottom-left square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with an arrowhead pointing up at the left end. A diagonal line with an arrowhead pointing up-right at the bottom-right corner.
- Bottom-middle square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with arrowheads pointing up at the left end and down at the right end.
- Bottom-right square:** A vertical line with arrowheads pointing left and right at the top and bottom. A horizontal line with arrowheads pointing up at the left end and down at the right end.
