

A 3x3 grid of a 30-degree triangular tiling. The grid is composed of 9 squares, each containing a 3x3 sub-grid of triangles. The triangles are oriented with one vertex at the top and one at the bottom. The triangles are colored in a repeating pattern of light blue, light green, and light yellow. The grid is divided into three columns and three rows by thick black lines. The numbers and arrows are as follows:
