

A 20x20 grid with numbers 1-7 in various cells, representing a sparse matrix or data set. The numbers are distributed across the grid as follows:

Row \ Column	1	2	3	4	5	6	7
1							
2							
3							
4							
5							
6							
7							
8							
9							
10							
11							
12							
13							
14							
15							
16							
17							
18							
19							
20
