

A 20x20 grid representing a sparse matrix. The grid contains numbers 1 through 7 in various cells, indicating non-zero entries. The distribution is as follows:

Row \ Column	1	2	3	4	5	6	7
1							
2	1						
3		2			5		
4	1		1			1	
5		1		1			
6	4	1	5				
7	4	1					
8	3	2	4				
9		2		2			
10	4	3					
11	5	2	4				
12		2					
13	2		3				
14							
15	1						
16							
17							
18							
19							
20
