

The figure displays a 3x3 grid of 9 scatter plots, each with a title (1-9) and a different arrangement of black and white dots. The dots are distributed across the plots in various patterns, including clusters, lines, and isolated points. The plots are arranged in a 3x3 grid, with the titles 1 through 9 in the top-left corner of each plot. The dots are black or white, and their positions vary across the plots.
