

A 3x3 grid of 9 dot plots. Each plot has a 3x3 grid of points. The points are either open circles or solid black dots. The numbers 1 through 9 are placed in the corners of each plot, indicating the count of dots for that number. For example, the top-left plot has 1 dot at (1,1), 2 dots at (1,2) and (2,1), and 2 dots at (2,2) and (3,1). The numbers 1, 2, and 2 are placed in the corners.
