

The image shows a 9x9 grid representing a 3x3x3 Rubik's cube. The grid is divided into 27 smaller squares. Numbers 1-9 are placed in some squares, and small circles (white and black) are placed in others, representing the cube's state.

The grid is organized into a 3x3x3 structure. The top row of the grid contains the numbers 2, 8, and 3. The middle row contains 9, 3, and 6. The bottom row contains 1, 2, and 7. The left column contains 8, 1, and 5. The middle column contains 7, 8, and 4. The right column contains 1, 8, and 7. The bottom row also contains 3, 2, and 9. The grid is filled with white and black circles, representing the cube's state.
