

A 10x10 grid with numbers 1-9 and black/white dots. The grid is divided into four 5x5 quadrants by a vertical line between columns 5 and 6, and a horizontal line between rows 5 and 6. The numbers and dots are distributed as follows:

Row \ Column	1	2	3	4	5	6	7	8	9	10
1	9			4		1	6		7	
2	2			3					6	
3		6		5						
4	7									
5										
6	4			6						
7										
8										
9										
10										

Note: The above table is a simplified representation. The actual image contains more dots and numbers, including a '2' in the bottom right corner (row 10, column 10) and a '5' in the top right corner (row 1, column 10).
