

A 6x6 grid with thick black walls forming a maze-like structure. The walls are located at the following coordinates (row, column) starting from (0,0) as the top-left corner:

- (0,0), (0,1), (0,2), (0,3), (0,4), (0,5)
- (1,0), (1,1), (1,2), (1,3), (1,4), (1,5)
- (2,0), (2,1), (2,2), (2,3), (2,4), (2,5)
- (3,0), (3,1), (3,2), (3,3), (3,4), (3,5)
- (4,0), (4,1), (4,2), (4,3), (4,4), (4,5)
- (5,0), (5,1), (5,2), (5,3), (5,4), (5,5)

The open spaces (rooms) are defined by these walls. There is a large central area, several smaller rooms, and a narrow corridor connecting them.
