

A 10x10 grid with a complex black path and a light gray shaded area. The path starts at the top-left corner (0,0) and ends at the bottom-right corner (9,9), following a series of horizontal and vertical segments. The shaded area is located in the upper-left quadrant, covering a 4x4 area of cells. The path is composed of several connected segments, including a long horizontal segment in the middle and a vertical segment on the right side. The shaded area is a solid light gray rectangle.
