

A 10x10 grid with a complex black path and a light gray shaded area. The path starts at the top-left corner (0,0) and ends at the bottom-right corner (9,9). The shaded area is a light gray rectangle that covers the entire grid except for the path. The path is a single continuous line that forms a complex shape, with many turns and loops. The shaded area is a light gray rectangle that covers the entire grid except for the path. The path is a single continuous line that forms a complex shape, with many turns and loops. The shaded area is a light gray rectangle that covers the entire grid except for the path.
