

A 10x10 grid with a black border. A complex black path is drawn on the grid, starting from the top-left corner (row 1, column 1) and ending at the bottom-right corner (row 10, column 10). The path consists of several horizontal and vertical segments of varying lengths, creating a maze-like structure. The path is composed of black lines on a white background, with the grid lines themselves being thin and light gray. The path starts at (1,1), goes right to (1,4), down to (2,4), right to (2,5), down to (3,5), right to (3,6), down to (4,6), right to (4,7), down to (5,7), right to (5,8), down to (6,8), right to
