

A 10x10 grid with a black path forming a complex shape. The path starts at the top-left corner (0,0) and ends at the bottom-right corner (9,9). The path is composed of several connected segments, creating a series of loops and dead ends. The segments are defined by the following coordinates (row, column): (0,0) to (0,1), (0,1) to (0,2), (0,2) to (0,3), (0,3) to (0,4), (0,4) to (0,5), (0,5) to (0,6), (0,6) to (0,7), (0,7) to (0,8), (0,8) to (0,9), (0,9) to (1,9), (1,9) to (2,9), (2,9) to (3,9), (3,9) to (4,9), (4,9) to (5,9), (5,9) to (6,9), (6,9) to (7,9), (7,9) to (8,9), (8,9) to (9,9). The path also includes several horizontal and vertical segments connecting different rows and columns, forming a complex network.
