

A 9x9 Sudoku puzzle grid. The grid is divided into 3x3 sub-grids by thick black lines. Some cells contain numbers, while others are empty. Arrows point to the grid from the numbers 31, 12, 47, 4, 33, 7, 7, 26, 36, 8, 3, 35, and 42, indicating the sum of the numbers in the corresponding row, column, or 3x3 sub-grid.
