

The image shows a 6x6 grid with numbers and diamond-shaped nodes. The numbers are placed in the grid cells, and the diamond shapes are placed at the intersections. Lines connect the diamond shapes, forming a path or network. The numbers are: 3, 4, 8, 5, 1, 7, 9, 4, 9, 1, 6, 8, 5, 8, 1, 7, 2, 1, 9, 4, 7, 1. The diamond shapes are connected by lines, forming a path that starts at the top left and ends at the bottom right.
