

A 9x9 grid with numbers and diamonds. The grid is divided into three 3x3 sub-grids by bold lines. The numbers are placed in the following cells (row, column): (1,1)=6, (1,2)=8, (1,3)=5, (1,4)=1, (1,8)=9, (2,3)=4, (2,4)=7, (2,5)=8, (2,6)=5, (2,7)=4, (2,8)=9, (2,9)=2, (3,1)=4, (3,2)=6, (3,5)=3, (3,6)=7, (3,7)=6, (3,8)=5, (4,1)=1, (4,2)=1, (4,3)=2, (4,4)=8, (4,5)=7, (4,6)=3, (4,7)=2, (4,8)=5. Diamonds are placed in the following cells: (1,4), (1,5), (1,6), (1,7), (1,8), (1,9), (2,1), (2,2), (2,3), (2,4), (2,5), (2,6), (2,7), (2,8), (2,9), (3,1), (3,2), (3,3), (3,4), (3,5), (3,6), (3,7), (3,8), (3,9), (4,1), (4,2), (4,3), (4,4), (4,5), (4,6), (4,7), (4,8), (4,9).
