

A 6x6 grid with numbers and diamond-shaped nodes. The numbers are: Row 1: 1, 8, 6, 3, (diamond), 2; Row 2: 7, 5, (diamond), 9, (diamond), (diamond); Row 3: (diamond), 4, 2, (diamond), (diamond), 5; Row 4: 5, (diamond), 9, (diamond), 1, 9, 3; Row 5: (diamond), (diamond), 5, 1, 6, 7, 2; Row 6: 1, (diamond), (diamond), 2, 6, (diamond). A path of grey lines connects the diamond nodes in a continuous sequence.
