

A 6x6 grid with a central black dot and white dots at the intersections. The grid is composed of 6 columns and 6 rows of squares. A solid black dot is located at the intersection of the 3rd column and the 3rd row from the bottom. White dots, represented by circles with black outlines, are located at the intersections of the 1st and 6th columns with the 1st, 2nd, 3rd, 4th, and 5th rows from the bottom. Additionally, white dots are located at the intersections of the 3rd row from the bottom with the 2nd, 4th, and 5th columns, and at the intersection of the 5th row from the bottom with the 5th column.
