

A 10x10 grid with thick black lines forming a complex path or maze-like structure. The grid is composed of 10 columns and 10 rows. The thick black lines form a continuous path that starts at the top-left corner (0,0) and ends at the bottom-right corner (9,9). The path is composed of several segments, some of which are horizontal, some vertical, and some diagonal. The segments are connected by small gaps, creating a series of loops and dead ends. The overall shape is irregular and complex, resembling a maze or a complex network.
