

A 6x6 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=8, (1,3)=9, (1,4)=2, (1,5)=5, (2,1)=3, (2,3)=4, (2,4)=8, (2,5)=6, (3,3)=2, (3,4)=1, (3,5)=4, (4,3)=8, (4,4)=7, (4,5)=3, (4,6)=2, (5,1)=7, (5,2)=1, (5,4)=6, (5,5)=9, (5,6)=3, (5,7)=1. The path is a continuous line connecting the numbers in the following order: 8, 9, 4, 8, 6, 2, 1, 4, 5, 6, 4, 9, 3, 1.
