

A 6x6 grid with numbers and paths. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4 and a horizontal line between rows 3 and 4. Numbers are placed in various cells, and paths of connected squares are drawn. The paths start from numbers 2, 5, 1, 5, 5, 8, 4, 7, 1, 8, 3, 9, 7, 8, and 5.
