

A 6x6 grid with numbers and a path. The numbers are placed in the following cells: (1,3)=7, (1,4)=4, (1,6)=5, (2,3)=1, (2,5)=5, (3,3)=8, (3,4)=3, (3,5)=6, (3,6)=1, (3,7)=7, (3,8)=2, (3,9)=9, (4,3)=9, (4,4)=6, (4,5)=3, (4,9)=4, (5,1)=9, (5,3)=5, (5,4)=2, (5,6)=7, (5,8)=5, (6,2)=1, (6,5)=6, (6,8)=3, (6,9)=1. The path is a continuous line of gray squares connecting the following cells: (1,3), (2,3), (2,4), (3,4), (3,5), (4,5), (4,6), (5,6), (5,7), (6,7), (6,8), (6,9).
