

A 9x9 grid with numbers and lines, representing a 3x3 grid of 3x3 subgrids. The grid contains numbers and lines that define a specific pattern. The numbers are: Row 1: (1,2)=3, (1,3)=5, (1,5)=8, (1,6)=7, (1,7)=9, (1,9)=3; Row 2: (2,1)=8, (2,5)=9, (2,9)=6; Row 3: (3,2)=8, (3,4)=6, (3,6)=4, (3,7)=5, (3,9)=9; Row 4: (4,1)=1, (4,3)=2, (4,4)=7, (4,5)=8, (4,7)=2, (4,9)=9; Row 5: (5,3)=2, (5,4)=1, (5,5)=5, (5,7)=3, (5,8)=8. Lines connect the numbers to form a continuous path.
