

A crossword puzzle grid is shown, consisting of white squares for letters and black squares for empty space. The grid is 10 columns wide and 8 rows high. Numbers are placed in the top-left corner of the starting squares for each word:

- Across 2:** Starts at row 6, column 2.
- Across 3:** Starts at row 7, column 4.
- Down 4:** Starts at row 2, column 1.
- Down 5:** Starts at row 3, column 8.
