

The grid is a 9x9 square divided into four quadrants by a central cross. The top-left quadrant (rows 1-4, columns 1-4) contains numbers 4, 2, 8, 9, 3, 9. The top-right quadrant (rows 1-4, columns 5-9) contains numbers 6, 9, 4, 4, 5, 8, 6. The bottom-left quadrant (rows 5-8, columns 1-4) contains numbers 2, 4, 9, 1, 8, 7, 4. The bottom-right quadrant (rows 5-8, columns 5-9) contains numbers 8, 2, 9, 6, 4. Grey circles are placed at various intersections, and lines connect the numbers to their corresponding circles. For example, in the top-left, a line connects the '2' to a circle at (1,2), and another connects the '9' to a circle at (1,4). In the bottom-right, a line connects the '2' to a circle at (8,6), and another connects the '9' to a circle at (9,9).
