A 12x12 grid puzzle for train tracks. The grid contains several pre-placed train tracks: a 4-track vertical track at (1,1), a 5-track diagonal track at (2,2), a 4-track vertical track at (3,3), a 5-track diagonal track at (4,8), a 5-track diagonal track at (5,11), a 6-track diagonal track at (6,3), a 7-track diagonal track at (7,5), a 7-track vertical track at (8,11), a 6-track diagonal track at (9,4), and a 3-track diagonal track at (10,2). The numbers 1 through 10 are placed above the columns, and numbers 2 through 7 are placed to the right of the rows, indicating the number of tracks that must be placed in each row and column.
