Diagram illustrating a Train Tracks puzzle grid. The grid is 12 columns wide and 12 rows high. The numbers above the grid indicate the number of train tracks starting from each column. The numbers to the right of the grid indicate the number of train tracks ending at each row. The puzzle pieces are represented by symbols: vertical lines for straight tracks, and fan-like shapes for curved tracks. The symbols are placed in the grid cells as follows:

- Row 6: Column 3 has 5 vertical lines.
- Row 8: Column 4 has 5 vertical lines.
- Row 7: Column 8 has a curved track.
- Row 9: Column 3 has a curved track, Column 6 has a curved track, and Column 11 has 5 vertical lines.
- Row 5: Column 1 has a curved track, Column 4 has 5 vertical lines, and Column 7 has 5 vertical lines.
- Row 10: Column 11 has a curved track.
- Row 12: Column 11 has 5 vertical lines.
